## Contempt Action May Be Initiated Against Town

### \$26 Tax Rate Has Been Set

The municipal tax rate has been officially set at \$26.

Confirmation from the state was secured yesterday, according to Town Manager Thomas E. Duff. A representative of the state tax department spent Tuesday in Andover going over the figures with the assessors.

The rate is broken down into: \$13.90 for schools, \$12.10 for general municipal expenses.

The town's assessed value, used in connection with establishing the rate, is \$88,382,575. The gross amount to be raised for municipal expenses is \$3,781,277.83, and the amount to be raised by taxation is \$2,297,946.95. The latter amount is a net figure, after estimated receipts have been subtracted.

### Speeding Drive Will Continue Unabated

The town's crack-down on speeders is continuing, according to reports received from Police Chief David L. Nicoll.

The Selectmen were told Monday night that, in the period of May 9-15, eight violators have been taken to court and paid \$75 in fines, and 61 violations have been reported to the Registry of Motor Vehicles.

The electrical speed-timing device has been put into use, and the most heavily travelled streets are being surveyed frequently.

## License Applications Disqualified; Selectmen Will Vote Monday

Only 12 of the original 22 applicants for a package store license apparently will be considered by the Selectmen, when they ballot on the issuance of the license next Monday.

The remaining applications listed sites that are within 500 feet of a church or school.

Three of the eligible 12 appear to be legally entitled to a license, even though they are within 500 feet of a church, because liquor licenses existed there before Jan. 1, 1956.

The state law specifically states that no new license may be issued closer than 500 feet to a church or school, except an innholder's license, which is not at issue here.

The law also specifies that licenses may be granted at a site where a license existed prior to the effective date of the statute - Jan. 1, 1956. Thus it appears that The Andover Grill Inc. in Elm sq., Fred Yunggebauer, 1 Elm st. and James J. Sullivan Inc. at Chick's Variety, 61 Essex st., probably are legally eligible.

Provisions of the statute regarding the 500-foot limit appeared to

hit many of the applicants like a bombshell early this week, although the law is printed among the statutes enacted in 1954, effective Jan. 1, 1956.

All of the applicants listing 195 Andover st., Ballardvale, as a site appear to be ineligible, as are sites on Essex st. and on Post Office ave. A site on Riverina rd. also apparently is within the 500-foot limit of Sacred Heart School.

The Selectmen have already adopted a procedural plan for voting on the single license.

Chairman Eugene A. Bernardin Jr. announced this Monday night. The five members will vote for their first three choices, in order. Points - 5, 3 and 1 - will be assigned the choices in order, and the applicant with the highest point

### Appeal Board Action Seen

Continued litigation appears nearly inevitable this week, as moves and counter moves have been undertaken in the now-famed Hoffman truck parking case.

An almost absolute promise of contempt action against the town and Joseph W. Hoffman, 57 Marilyn dr., has been given by Atty. Arthur L. Harper Jr., if the Hoffman truck is not removed from the residential area. Atty. Harper told the Townsman that he believes there has been plenty of time for the truck to be moved.

Mr. Harper's comments came shortly after Atty. Burton Shaker, representing Mr. Hoffman, told the Townsman his client will apply to the Board of Appeals for a special permit to park the truck. In the meantime, Mr. Shaker said the truck will probably remain parked at the Marilyn dr. address, pending

### Brook Bids Will Be Sought Soon

Bids within 10 days.

That's the latest promise from the state Division of Waterways relating to Rogers Brook reconstruction.

Town Manager Thomas E. Duff received the assurance Monday afternoon, after seeking to learn just when the state plans to get the project underway. All of the easements have now been filed and the surveying work completed.

Duff told the Selectmen that nothing should now interfere with the calling of bids and subsequent award of the contract for this job.

In this connection, the Selectmen agreed to advise the Board of

Mrs. Edwin Otto of Vine st., with a chicken barbecue dinner served to 22 members and guests, preceding the routine business of the day. The business meeting was opened by the regent, with devotions led by Mrs. Herbert Ortstein in place of the chaplain, Mrs. Ernest Edmands, who was ill. Patriotic exercises followed with one verse of America being sung. The presi-

dent general's message was read by the vice-regent, Mrs. Edward Thompson, after which the secretary's and treasurer's reports were given by Mrs. Harry Donovan and Mrs. William Trow.

Mrs. Frank Hayes, National Defense chairman, read a message pertinent to these troubled times by J.C. Cornelius of "American Heritage", who said, "Those who expect to reap the fruits of freedom, must be prepared to suffer the fatigues - we must run our government or it will run us. The actions taken by the 87th Congress now in session will affect not only us in our own country but peoples everywhere."

Mrs. Joseph Smethurst, corresponding secretary, read letters from the Hillside School, from guests at the April meeting, and from some fifth grade pupils who

went on the May 3 historical tour.

Two new names were presented for membership, and one new member's papers had just been received and accepted at the Continental Congress. The registrar's report by Mrs. George Cobb, who was unable to be present, was read by Mrs. Otto, and showed a sizable increase in membership this year, and Mrs. Otto has received for the Chapter the Gold Badge from the National Society, for attaining all its requirements this year.

The state Fall Conference will be held in Chicopee this year Oct. 2 and 3, and the delegates and alternates elected were Mrs. Otto, Mrs. Leo O'Connor, Mrs. Roland Weeks, Mrs. Edward Thompson, Mrs. Herbert Ortstein and Mrs. Mildred Kenyon.

It was decided to hold a rummage sale in late October, Mrs. Edwin Lewis and Mrs. Weeks to be co-chairman. Mrs. O'Connor was appointed to replace Mrs. Hayes as Defense chairman.

Annual reports of the officers were then given by the following: American Indians, Mrs. A. Marshall Jones; Public Relations, Mrs. Roland Weeks for Mrs. Edmands, who has had over 600 inches of publicity for the Chapter from May, 1960 to May 1961; DAR Magazine, Mrs. Weeks.

Mrs. Will Brown, librarian, reported that another lot of Landmark Books have been bought for the children's room at the Memorial Hall Library, and more will be presented soon. Mrs. Jones announced that the National Chairman of American Indians asks all members to continue saving Indian Head nickels toward a scholarship for an Indian boy at Parson's college in Iowa. Massachusetts' chapters came in second in the country this first year saving such nickels.

Mrs. Otto gave an interesting and informative account of her trip to Washington to the Continental Congress in April as delegate from the chapter and as national vice chairman of the Pages Committee.

Carol and Jeanne Abern of Chelmsford are visiting their grandparents, Mr. and Mrs. Frank M. Green of Andover st.

## THE CO-OP 2500 STRONG

At the last meeting of the directors of the CO-OP, it was announced that our membership now stands at 2506. About every sixth person in town now belongs to the CO-OP. We estimate that almost every third household has a CO-OP member.

How do you account for such wide acceptance of the CO-OP idea in this community?

We believe there are many reasons for the popularity of the CO-OP in Andover. Among them are these:

### ANDOVER LIKES A SUPERMARKET THAT

is locally controlled and managed  
is friendly  
is handy to everything

If you don't know the CO-OP, try us and see for yourself why the CO-OP is the most popular store in the center of town — the store where you will meet many of your friends and neighbors, the store operated in the shoppers' interests because most of the shoppers are the store's owners.

### Cana Conference At St. Augustine's

The Rev. John E. Kinchla, Family Life director of the Archdiocese of Boston, will conduct a Cana Conference I at St. August-

ine's Church, Sunday, May 28, at 8 p.m.

Fr. Kinchla was ordained in 1945 and served as a curate in St. John's Parish, Wellesley and also in St. Thomas More's Parish in Braintree. He was a chaplain with the Third Division and served in Korea. He was wounded in action and has twice received the Purple Heart.

Upon his return to the Archdiocese he was appointed by His Eminence, the Cardinal, as director of the Catholic Service-men's Bureau, moderator of the National Catholic Community Services, chaplain of the Youth Service Board and director of the Catholic Family Life Apostolate.

The Cana Conference, sponsored by the Catholic Family Life Apostolate, is a meeting of married couples under the direction of a priest, to discuss the ideas and ideals of Catholic Family Living. Cana I is the Husband-Wife Relationship, Cana II is the Parent-Child Relationship, and Cana III is Parent-Teen Age.

## Lundgren Funeral Home Inc.

10 ELM STREET ANDOVER, MASS.

Dear friends,

Recently we were asked if a person could make advance arrangements for his funeral... select the desired vault and casket, determine details of the funeral, and place the required funds for that purpose in a local bank.

Such pre-arrangement of funerals is feasible and we offer to explain the details to anyone interested.

Respectfully,

Donald E. Lundgren

## Baseball League Gets Underway

The Andover Baseball Recreation League has organized for the season.

At a meeting held at the Youth Center, James J. O'Reilly was elected president and Arthur L.

Rairigh, vice president.

Registrations for participants will be held Saturday, May 20, from 9 a.m. until noon at the Youth Center on Brook st.

The season will get underway June 12.

The League is open to all boys who will have reached their 13th birthday, but not their 16th birth-

day, by Aug. 1 of this year.

Boys who sign up for the League may not play in any other organized program during the League season.

Tryouts for the League will be held May 27, starting at 9 a.m., at the Playstead. Anyone interested in assisting with the League is requested to attend the tryouts and a meeting, scheduled immediately following the tryouts, at the Youth Center.

## Andover Victorious At Invitational Meet

Taking 35 points, Andover High won the second annual invitational track meet last Saturday at the Playstead.

Three of five new meet records were set by members of the local entries, and the Blue Devils took four firsts during the long afternoon.

Jon Langdell was chosen as the outstanding performer. He set new records in the 220 and the discus, clocking a time of 22.9 and a heave of 132'6" in the discus.

Dick Asoian set a shot put record, with a distance of 50'9".

North Andover's John Moran established a new mile record at 4:41.7 and Reading's Ron Sullivan had a time of 9.7 in the 80-yard low hurdles, to set the fifth record.

Andover's fourth first place was registered by John MacCormack, winning the 100-yard dash in 10.4.

Reading was second in the meet, scoring 30 points and also taking four firsts. However, the Blue Devils scored enough seconds and thirds to take the Booster's Club trophy. Last year, Amesbury and Andover tied for the winning spot.

The scores ran: Andover 35, Reading 30, Amesbury 24, Woburn 16, Newburyport 12, North Andover 9, Methuen 8, Winthrop 8, Danvers 1 and Marblehead 0.

## DECISION MONDAY ON LICENSE

(Continued from Page One) total will receive the license.

It has been pointed out that the mathematical possibilities involved in the procedure are extensive. For example, if five different applicants get one vote apiece, they each would have five points; still another applicant, getting three second choice votes, would total nine points and get the license. Varying combinations of first, second and third choice votes could result, it appeared to observers.

As it stands now, the applicants who remain in consideration apparently are:

Neighborhood Market, 26 Juliette st.; Roy Russell, Shawshen Plaza; Andover Grill, Elm sq.; Harold Rutter, 211 North Main st.; James Coleman, Shawshen Plaza; Peter O'Hagan et al, 85 Essex st.;

William J. Stewart, Shawshen Plaza; William A. Schlott, Shawshen Plaza; Franz Variety Store, 185 North Main st.; John Spies, Shawshen Plaza. Chick's Variety on Essex st. and Yunggebauer's on Elm st. appear to be eligible, although some technicalities might be raised over up-grading a beer and wine license to a full-liquor license within 500 feet of a church.

At this writing, it appears that the following applicants will not be considered, based on the sites they have listed being within 500 feet of a church or school:

Howard D. Ponty, Post Office ave., 321 feet to the Baptist Church; Gregory Christie, 195 Andover st., 310 feet, entrance to entrance, from the United Church; Roger W. Collins et al, 3 Post Office ave., 321 feet to Baptist Church; George P. Thompson, 195 Andover st., 310 feet to United Church; John A. Friel Sr., 22 Essex st., 359 feet to Baptist Church; Daniel Morin, 195 Andover st., 310 feet to United Church; William Low, 3 Post Office ave., 321 feet to Baptist Church; Henry M. Sewell, 195 Andover st., 310 feet to United Church; Lee Noyes, 195 Andover st., 310 feet to United Church; Aime G. Nadeau, Riverina rd., at the Shawshen Market, 314 feet from entrance to entrance of Sacred Heart School.

The measurements were taken at the request of the Selectmen in all cases where a specified site could possibly be within the 500-foot limit.

At last Monday's meeting, the only objection to a site came by telephone from a representative of the United Church in Ballardvale.

Although arrangements to hear the objections and the applicants for the 195 Andover st. site had been made, it appeared that no hearing would be necessary as the site is not eligible.

## Let me show you how to get better roses, more continuous bloom

With roses, the surprising secret of more blooms is—*more leaves!* Now—with the new Scott's Rose Program—it's so easy to keep foliage strong and healthy, even a beginner enjoys success.

*This amazing applicator is the key.* It's called the Scott's Zephyr, and it's designed to apply new HAZE—Scott's all-in-one protection against insects and disease.

The HAZE container fits snugly in the Zephyr. Nothing to mix, measure, fill or spill. To apply, just point the deflector at the base of the rose bushes, turn the crank gently, and walk along the bed. An atomized *dry mist* envelops the plant—depositing a nearly invisible HAZE film on both tops and undersides of the leaves.

Come see and save. You'll find these new Scott's Rose Program products at our big SUCCESS WITH ROSES display.

Introductory offer saves you \$5.00.

## EDITORIAL THOUGHTS

### Keep Competitive Bidding

There has been some discussion recently, on a non-official level, about awarding contracts to local businessmen when they are only a few dollars above the low competitive bid.

Some persons have the natural human wish to give the business to local merchants or contractors when possible — and this idea is good up to a point. No one, we think, would seriously question the motives of those who think this is the best course of action.

But there is one serious problem associated with this desire:

If you start breaking down the competitive bidding structure, where do you stop?

If a local man's bid is one or two percent higher than the bid from an out-of-town person, particularly when considering relatively small expenditures, the dollar difference may not be great. And it may be easy to justify awarding the bid to the local man, on the grounds that he pays his taxes here, and will be more interested in doing a good job for the community.

But then it might be just as easy for officials at some future time, to decide that a margin of three or four percent is within reason, or even five or six percent. The point is obvious once you start taking other than the low bidder, it is impossible to keep any sort of reasonable bidding procedure.

Although everyone's sympathy lies with the local businessman, it doesn't seem prudent to break down the bidding structure.

### Day Of Decision

Next week should bring to an end one of the most unpleasant periods in recent history.

For on Monday night, it is now expected that the Selectmen will award the package store license.

There has been a lot of idle discussion, speculation and pure hokum about the granting of this license — and the Board can't help but be criticized to some degree, whatever decision is made.

It seems to us, however, that there has been far too much anticipatory criticism, too much speculation as to the recipient and the possible reason why this one or that one receives support.

A Board of Selectmen, in taking action such as that now scheduled for next Monday, can only expect that disappointed applicants will give evidence of their disappointment. But the Board should be able to expect that the rest of the town accepts the decision in the spirit with which it is made — in the best interests of the town, under difficult circumstances.

### Major Annoyance

Highway construction in Andover will continue to be a major problem for the municipality, and a considerable inconvenience for residents, during the next couple of years.

It's inevitable that the construction of Route 495 will be a major factor in the lives of many residents — those who use the intersecting town streets, and those who live near the construction sites.

Of particular concern to those living in Shawsheen will be the tremendous task awaiting a contractor in the construction of the highway through that section of town. The North Main st. interchange is a huge project, involving mountains of fill along with the usual construction activities.

It's going to require a lot of patience when this section is under active construction — and even then, there will be many problems that irritate and annoy residents to the point of complaint. The town government can, of course, help in these cases to a certain extent, by vigorously applying municipal pressure in the areas of truck control and speed.

It won't be an easy period, but the cooperation of residents, town and contractor will make the construction time as little trouble as possible.

\*\*\*\*\*

This generation seems to be turning to the higher things — the higher cost of living in particular.

\*\*\*\*\*

Every young man has to learn to paddle his own canoe, even if his father owns a yacht.

### Down the Years with The Townsman

#### 50 Years Ago — May, 1911

N. E. Bartlett sailed for Europe last week on a business trip. Samuel P. Hulme has sold, for Mrs. A. E. Hulme, the Lindsay property in Frye Village to William M. Wood.

Miss Florence Prevost, a teacher in the John Dove School, is ill with tonsillitis.

Work has begun on the bungalow being built by V. D. Harrington on Salem st.

Punchard defeated Governor Dummer Academy, 7-4, in a ball game held Wednesday.

Abraham Marland, town clerk, former tax collector and former postmaster, died last night.

A fine of \$50 was levied on a young man yesterday, for setting a forest fire.

The new drygoods store, recently opened in the Barnard Block by F. G. MacDonald of Reading, has been sold to Miss M. F. Porter of Whitman.

W. H. Higgins, the well-known proprietor of the Park Street Stables, is shortly to withdraw from active business here.

#### 25 Years Ago — May, 1936

The Andover Male Choir was chosen as the best men's singing group in New England last Saturday, following competition in Fall River by all members of the New England Federation of Men's Glee Clubs. The group won first prize in its class, then went on to capture the grand prize for all singing groups, many of which are larger than the Andover choir. J. Everett Collins is the director.

Preston Wade, now a junior in High School, won first prize in the finals of the Lincoln spelling

contest last Saturday. It was the fifth year that he has been a prize winner, setting a new record for consistent winning.

Andover's Young Republicans will receive their charter Monday night. William McCoubrie is president.

Harry Stevenson of Gardner ave. has purchased the factory, formerly belonging to the Smith and Dove mills, that lies nearest to the river. He already has moved some textile machinery into the plant.

#### 10 Years Ago — May, 1951

Andover's first full-scale air raid test will be held a week from Friday, at 11 a.m. The public will be required to seek shelter for a 15-minute period and most Civil Defense units will be mobilized.

Mrs. Dudley Fitts has been elected president of the League of Women Voters.

James D. Doherty was appointed director of recreation by the Recreation Committee at a recent meeting. Donald D. Dunn, supervisor at Ponp's Pond, has a year's leave of absence, and Mr. Doherty will have general direction of this activity as well as the playgrounds.

Punchard won the Essex County Class B. track title at a meet held in the Lawrence Memorial Stadium.

Only one person was injured at 11 p.m. Friday, when a Greyhound bus and a passenger car were in collision at Stevens and North Main sts. The bus was headed towards Boston, and the car was entering the main street from Stevens. The bus came to a stop across North Main st., shearing off a pole.

## AT THE LIBRARY

#### Coming Events:

##### MAY

20 Library extends a welcome to Andover residents interested in the functioning of town administration.

Reminder: Great Books Discussion Program and the Littlest Listener programs are recessed until fall.

21 Visit the Art Festival at the school and follow up your visit there with material from your library's art collection!

##### Summer Recess

Now that the Great Books and the Littlest Listener programs are discontinued until the fall, it seems a good time for readers to look ahead to the autumn readings, if Great Books appeals to them, and to plan to register their three, four and five year olds who may wish to enter one of the Littlest Listener groups when school reopens.

The proposed readings include a variety of subjects for their 10th year — a little Chinese philosophy, something of Chaucer, Shakespeare, Darwin, Spinoza, Ovid, Plato, two plays by Ibsen, a bit of fiction and Nietzsche's "Birth Of Tragedy".

Any person interested in good reading and the fun of discussing what he has read with others who share his enthusiasm should contact the library for information. The fall membership is being taken now, although new members may

choose to present themselves at the first program in October.

The group meets from October to early May in the Memorial Hall Library on every other Tuesday evening, at 7:45 o'clock. All are most welcome to attend.

##### Films

The library has three color travel films on hand until June 15 for the use of local groups. All are on Canadian subjects: Big White Water, 9 minutes, shows fishermen exploring a turbulent river in northern Quebec; Fraser's River, 15 minutes, is the story of a savage, untamed and beautiful river; Location Niagara, 27 minutes, is the thrilling drama of famous Niagara Falls. Anyone wishing to reserve one or all of the films should make arrangements with the library as early as possible.

##### Curious About Science?

In today's world, the individual who considers himself a cultured person cannot remain ignorant of science. He must understand something about it in order to be able to hold an intelligent view of each day's happenings and developments.

With this in mind, one of our well-known scientific writers has produced a two-volume work that will be read and understood by readers of almost all ages.

"The Intelligent Man's Guide To Science" presents, in language for the layman, the answers to those

simple questions that one asks himself: "Why do humans put on weight?" "How do proteins grow?" "Can there be life on other worlds?" "Why a population explosion?" "What is a virus?" "Can a machine take the place of the human mind?" etc.

Dr. Asimov, associate professor of Biochemistry at the Boston University School of Medicine, has added this new, well-illustrated and indexed book to his already large number of publications. With imagination and authority he tells how science affects us today, how it will affect us tomorrow and why we are obliged to learn the scientific side of living.

The book may be reserved at the Memorial Hall Library. Friends who attended the annual Open House in 1957 had the pleasure of hearing Dr. Asimov, who was guest speaker.

#### Have You Read Them

Two hard-hitting commentaries on contemporary Americana — Vance Packard's "The Status Seekers" and his "Waste Makers" are among the books frequently asked for at the library. Packard, a journalist and teacher by profession, is also the author of the best-selling book "The Hidden Persuaders", a 1957 expose of motivational research in present-day advertising and public relations. This was followed by his "Status Seekers", a study of American class behavior, and "The Waste Makers", published last year, which criticizes the over-consumption and over-purchasing of the American public.

#### Welcome To Friends

Any citizen accepting the Open House invitation to visit various town departments Saturday, May 20, will be most welcome at the Library. For those who did not have an opportunity to see the new addition at the formal Open House in April, this could be a guided tour.

The library is placing on display a series of notebooks, clippings from both our local papers, arranged by subjects related to Andover's government, history, etc. These run chronologically since September, 1955, and present an interesting and informative comment on Andover's growth.

#### Display Space

Any boy or girl who has a collection of stamps, dolls, small figures, rocks, models of any kind, photography, etc. may have an opportunity to display the collection in the wall case in the Children's room of the library. The case is about the size of a bookcase, and has a series of glass shelves which make it convenient to show a number of objects. Anyone wishing to share his hobby with others during the summer should arrange with Miss Lane as to dates, etc.

#### SUMMER BOWLING

Results in the summer bowling league, which started at the Andover Recreation Alleys last week, were as follows: Sooners 4, Reckers 0; Kill Joys 3, High Steppers 1; high triples, Helen Baratz 299 and Ruth Green 295; high singles Tess Smeltzer 114 and Helen Baratz 109; high team triple and single, Sooners 1136 and 336.

#### ON DEAN'S LIST

Frederick C. Polgreen, son of Mr. and Mrs. John A. Polgreen, 52 Chestnut st., was named to the 1960-61 Winter Term's edition of the Springfield College Dean's List according to SC Registrar, Mrs. Olga Ellis.

#### OPEN HOUSE AT HIGH SCHOOL

Open House will be held at Andover High School from 2:15 to 4 on the afternoons of May 23 and 24.

Parents will have the opportunity to observe intramural programs and discuss their children's progress with teachers. They may also meet with the guidance counselors to go over next year's programs, discuss employment plans, and in the case of sophomores, secure interpretation of scores on the Iowa Tests of Educational Development. Arrangements could also be made for summer study.

Refreshments will be served and the public is cordially invited.

### May Store Ballots In Sealed Box

Two amendments to existing statutes have been passed in the legislature, affecting the voting laws.

From now on, when ballot boxes become full, the ballots may legally

be removed and placed in a container, and sealed. This makes it possible to keep the ballot boxes functioning until closing time, when counting can begin.

The second amendment removes the requirement that the outside envelope, containing a marked absentee ballot, be notarized.

Here are the facts you need

## Starting a new lawn this spring?

1. Don't worry about poor soil. You don't need to go to the trouble and expense of bringing in topsoil. Any soil—even subsoil—can give a satisfying lawn with regular feedings of Scotts protein-building TURF BUILDER®.
2. Don't be taken in by seed "bargains." You want a good lawn, not a hayfield. Cheap mixtures contain wild grasses that will plague you for the life of your lawn. Scotts seed is all good grass, perennial and weed-free.
3. Don't plant the wrong kind of lawn. Be realistic. If you need a lawn that stands up to the punishment of children and weather, choose Scotts PLAY seed. If appearance is paramount, Scotts FAMILY® or CLASSIC®.

Ask us about the Scotts guarantee...  
a better lawn or your money back!

## LITIGATION APPEARS TO BE LIKELY

(Continued from Page One)  
a decision of the Appeals Board. The town, through Town Counsel Fredric S. O'Brien, has ordered Mr. Hoffman to move the truck, and keep it away from the premises. However, Town Manager Thomas E. Duff stated this week that, in all probability, the town will not enforce the order pending action by the Board of Appeals, providing Mr. Hoffman makes application for a permit within a specified period of time. Mr. Duff noted that Mr. Hoffman would, by applying, be following procedures established by the town. If application is not made, Mr. Duff said the town will proceed to require compliance with the order.

However, Mr. Harper said this would not be satisfactory at all.

Rather, he suggested that Mr. Hoffman should move the truck, then get Board of Appeals action. If he secures a permit, then the truck could be parked according to whatever restrictions are provided.

Atty. Harper explained that Mr. Hoffman has had the advantage of a 40-day appeal period, plus nearly two weeks since that period expired, to make plans for garaging the truck. He indicated that, no matter how unpleasant a contempt citation might be, there would be no recourse but to seek one. Some action towards moving the truck should reasonably be taken before next Monday, he indicated.

Among other reasons, he believes that filing an application for Appeals Board action, which might come in July, can not be substituted for obedience of a court order. Mr. Harper represents Mr. and Mrs. Earl O. Setterblade, 56 Marilyn dr., who brought the original mandamus petition against the building inspector, seeking to compel him to enforce the zoning by-law by having the truck removed.

It appeared obvious this week that Mr. Hoffman's request to the Board of Appeals will not go without objection. Mr. Harper said his clients will certainly oppose the request if and when it is heard.

Meanwhile, efforts have been continuing to spell out parking requirements, via amendments to the zoning by-law. A committee of truck owners met with the Planning Board Monday night, and presented a rough draft of amendments that might give detailed permission for certain types of trucks. Their Counsel, Atty. Richard Johnson, was present and has been directed to draw up proposals in more final form. The concerned truck owners and businessmen plan to present amendments for town meeting action - thus clarifying the by-laws.

Rather, he suggested that Mr. Hoffman should move the truck, then get Board of Appeals action. If he secures a permit, then the truck could be parked according to whatever restrictions are provided.

Atty. Harper explained that Mr. Hoffman has had the advantage of a 40-day appeal period, plus nearly two weeks since that period expired, to make plans for garaging the truck. He indicated that, no matter how unpleasant a contempt citation might be, there would be no recourse but to seek one. Some action towards moving the truck should reasonably be taken before Monday, he indicated.

Among other reasons, he believes that filing an application for Appeals Board action, which might come in July, can not be substituted for obedience of a court order. Mr. Harper represents Mr. and Mrs. Earl O. Setterblade, 56 Marilyn dr., who brought the original mandamus petition against the building inspector, seeking to compel him to enforce the zoning by-law by having the truck removed.

It appeared obvious this week that Mr. Hoffman's request to the Board of Appeals will not go without objection. Mr. Harper said his clients will certainly oppose the request if and when it is heard.

Meanwhile, efforts have been continuing to spell out parking requirements, via amendments to the zoning by-law. A committee of truck owners met with the Planning Board Monday night, and presented a rough draft of amendments that might give detailed permission for certain types of trucks. Their Counsel, Atty. Richard Johnson, was present and has been directed to draw up proposals in more final form. The concerned truck owners and businessmen plan to present amendments for town meeting action - thus clarifying the by-laws.

SPEEDING DRIVE  
WILL CONTINUE

(Continued from Page One)

In addition to constantly checking the speeders, the department has installed many signs and painted streets and intersections.

Traffic signs have been installed at Main near Wheeler st., Marilyn rd. and Chandler rd., near the Park residence.

Street painting: Main st., center line, Wheeler st. to the river bridge; Elm st., Washington ave. to High st.; Shawshen rd., Essex to beyond Lincoln; Balmoral st., North Main st. to dead end; Reed Spring rd., Essex st. half way up hill; Andover st., Post Office to River st.; Woburn st., Abbot st. to top of hill Central st., Lupine rd. to Argilla rd. on Andover st. Intersection center lines: School st. at Central; Shawshen rd. at Lowell st. and Beacon st., High Plain rd. to Lowell st.

A sidewalk line has been painted in front of the church and two stores in Ballardvale, and a road-separating line has been painted in front of the Wild Rose Dairy.

## Memorial Services, Events Planned By Local Veterans

Veterans of all wars, and members of veterans' organizations, will attend worship services at St. Augustine's Church Sunday, May 28, for the annual memorial service.

All participants are requested to meet at the Musgrove building at 9:30 and march, as a group, to the Church to attend the 10 a.m. Mass.

This weekend will also bring the annual placement of flags on all veterans' graves.

Post 2128, Veterans of Foreign Wars, will place flags on veterans' graves in Old South Cemetery, Christ Church Cemetery and in St. Augustine's Cemetery. The Disabled American Veterans will attend to the graves in West Parish Cemetery and Post 8, American Legion, will take care of graves in Spring Grove and the Phillips Academy Chapel Cemetery.

Next of kin of all veterans should report any oversight in the placement of flags to the veterans' service office in the town hall.

Members of the Memorial Day Committee planning this and Memorial Day activities include Joseph L. Monan, V.F.W. past commander; Irving J. Whitcomb, past commander of the Legion; Calvin Deyermund, DAV commander; and Francis P. Markey, veterans' service agent. Chief Marshal of the parade Memorial Day will be Legion Commander Clarence Johnson.

Plans for Memorial Day call for the traditional parade, starting at the corner of Florence and Elm sts.

Memorial services will be held at the Library, Memorial Auditorium and at Memorial Tower at Phillips Academy. Cemetery services will be held by the various veterans' organizations following the parade.

### ROGERS BROOK BIDS COMING

(Continued from Page One)

Trade to go slowly in its proposed parking area west of Main st. The Board had sought information from the town as to probable construction dates on the portion of Rogers Brook within the parking area. It had at one time been planned to construct a culvert for the Brook, so that work on the lot could con-

tinue. However, the Selectmen and manager agreed Monday that fairly quick action should be forthcoming from the state. That agency will call for bids, award the contract and supervise construction.

Mr. Duff noted that present plans call for a meeting of abutters to be held soon, to discuss details of the project.

### Garden Coffees Begin May 23

Tuesday, May 23, the Andover Garden Club is sponsoring two Garden Coffees, open to the public, from 9:30 a.m. to noon. Mrs. Joseph L. Daly is chairman of this outstanding spring event, assisted by Mrs. Frederick Bradley.

The gardens of Mrs. John H. Stewart, 36 Bancroft rd. and Mrs. George W. Harper, 20 Judson rd., will be open.

Mrs. Stewart's lovely gardens surrounding the house have extensive border plantings which give a formal effect in an informal setting. Flowering trees, shrubs and perennials, as well as many spring flowers make up these borders. The many colors and varieties of tulips are outstanding.

A plant sale featuring memorial baskets and all types of ground cover, will also be held here under the direction of Mrs. Foster G. Barnard, assisted by Mrs. Phillip H. Sargent, Mrs. James K. Selden, and Mrs. George B. Westhaver.

The home of Mrs. George W. Harper is framed by beech, pine, birch and maple trees with a foundation planting of yews and juniper interspersed with flowering trees, rhododendron, lilac crabapples and andromeda. Featured here is an all-pink rose garden of Floribundas and teas placed in a circular border broken up into sections by narrow paths. An open flagstone terrace with a miniature pool lies between two

wings of the house; pink azaleas, holly, Christmas roses and a pair of Alberta spruces are planted here. A 30x60 foot terrace runs the length of the house, bounded by a low stone wall. Circling the area and following the stone wall border are spectacular pink rhododendrons, white dogwood and an eleyi crabtree.

Coffee and cakes will be served on the terrace at Mrs. Harper's home. In case of inclement weather, the garden coffees will be held the following day, May 24.

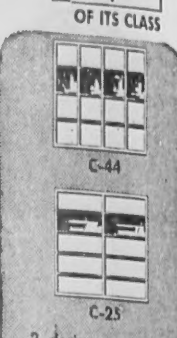

Mr. and Mrs. Leverett Putnam of Lowell st. were delegates from the West Church to the three-day, 162nd Annual meeting of the Mass. Congregational Christian Conference, which was held in the Historic First Congregational Church in Northampton.
